

INLINE® SOCKET STRIP CEE 7/3

earth contact, overvoltage protection, switch

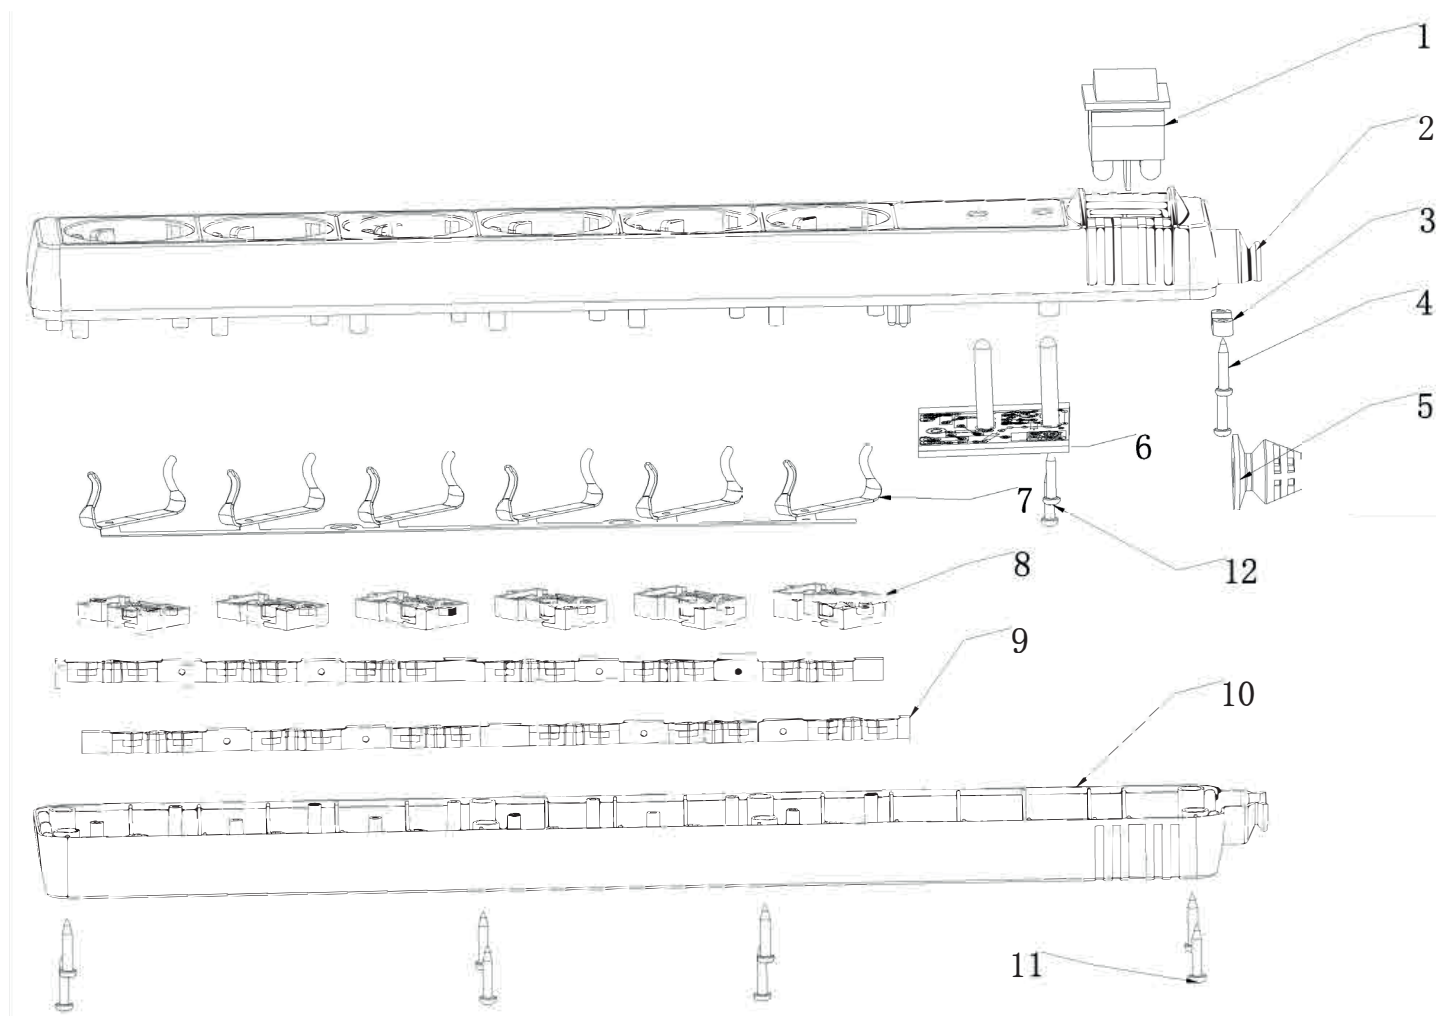

- InLine® power strip with earthing contact
- Connections: earthing contact
- Alignment of connections: 45°
- Number of connections: 3
- Plugs: earthing contact angled
- Cable: H05VV-F3G1.5mm²
- Input voltage: 230V
- Max. Power: 3,500W
- Switch: available
- With increased contact protection
- Material: plastic
- GS tested
- Cable: 3G1.5 mm²
- Colour: Black
- GS tested: Yes
- Input voltage: 230 V
- Material: Plastic
- Mounting option:
- Number of protected outlets (CEE 7/3): 3 or 6
- Output current: 16 A
- Plug: Earthing contact angled
- Supply line: 1.5 m
- Switch: With
- Touch protection: Yes
- Type: Office
- Type of packaging: InLine® bag 20107A
- With overvoltage protection: Yes

Technical Data:

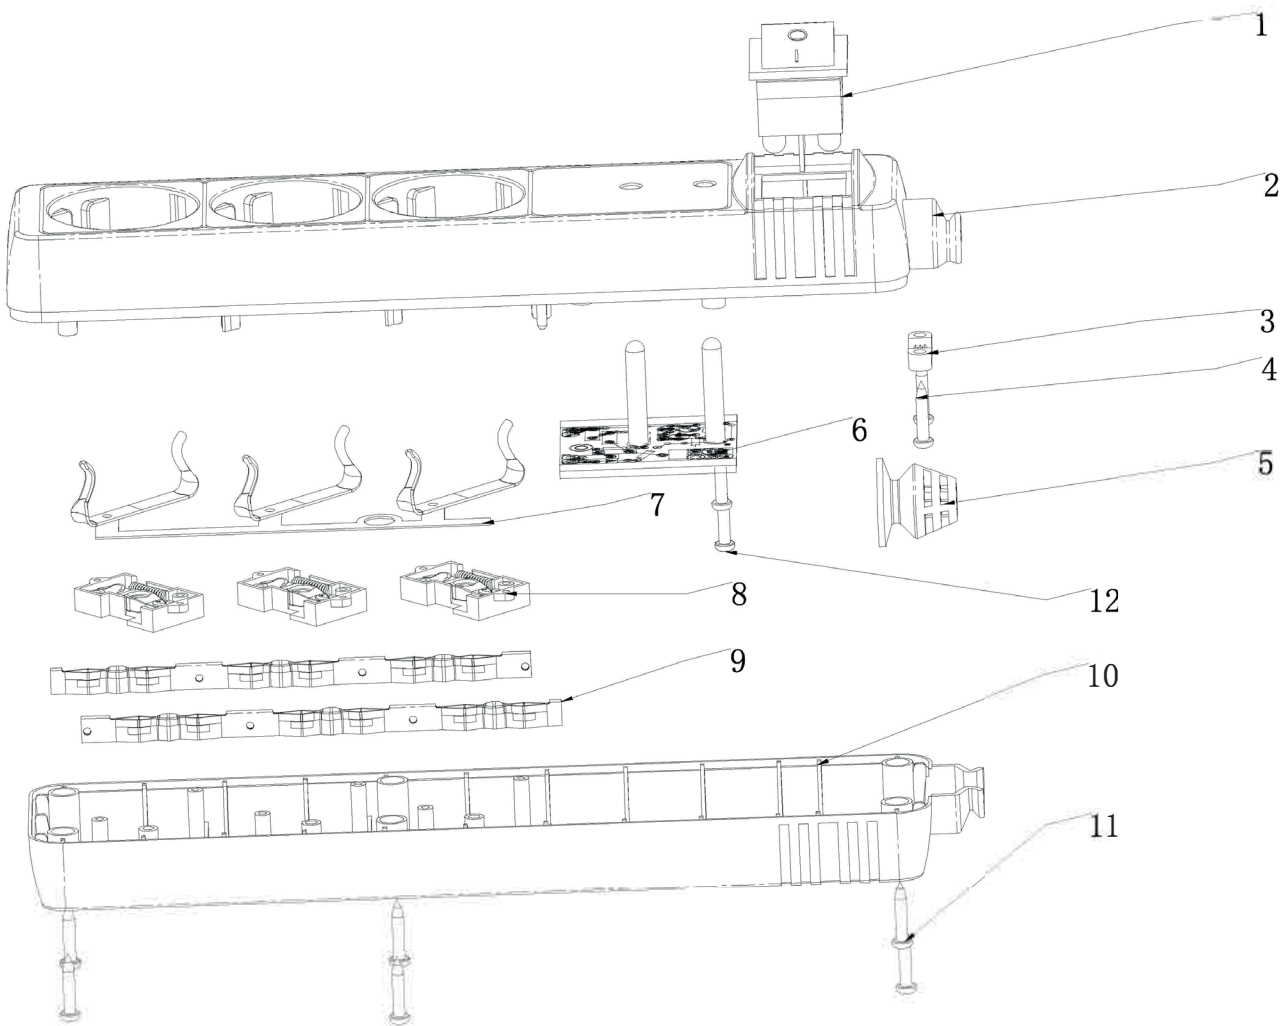

- Alignment of connections: 45 °
- Brand: InLine®
