

PHILIPS

NeoPix 160 Smart

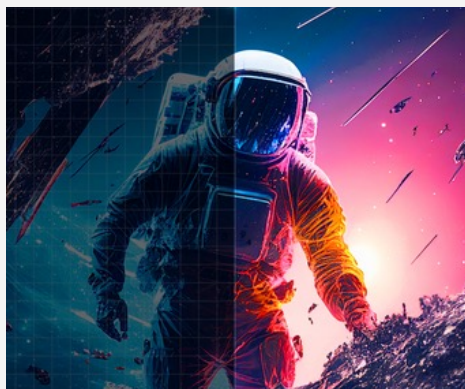

Smarter projection. Made for you.

Discover the new Philips LCD video projector — your perfect partner for movies and streaming in Full HD (1920×1080). Powered by a long-lasting LED light source with 250 ANSI lumens, it delivers vibrant visuals with a 1000:1 contrast ratio and a compact 1.15:1 throw ratio for flexible placement.

Enjoy hassle-free setup with auto-focus, auto keystone and digital zoom, while HDMI and USB ports ensure seamless connectivity. A 5W built-in speaker delivers crisp sound, with an audio output for external sound systems.

Its original, trendy design includes an adjustable stand system that adapts to your space.

Running on Android TV (via built-in dongle), it brings your favorite streaming apps right to the big screen.
