Specifications

Weight 50g

Dimensions 50mmH x 50mmW x 50mmD

Features

The SC6 is an input/output breakout box for smartphones and tablets. With two TRRS inputs and one stereo headphone output, the unit connects to any TRRS device and allows the use of one or two smartLav microphones as well as headphones for monitoring and playback.

(Note that the two microphone inputs will be recorded to the same channel)
