

VideoMic Me-L™

DIRECTIONAL MICROPHONE FOR APPLE DEVICES

2 YEAR
WARRANTY

HEADPHONE
OUTPUT JACK

NO BATTERY
REQUIRED

Simple, mono MFi (Made for iPhone/iPad/iPod touch) microphone accessory with 3.5mm headphone output for iOS with Lightning Connector.

VideoMic™ Me-L is a high-quality microphone for your iPhone® or iPad® (with Lightning port input) designed to give you incredible audio when shooting video.

The microphone's directionality reduces surrounding noises to focus on exactly what you're filming, making sure your videos sound clear and intelligible.

The 3.5mm jack provides a headphone output for audio monitoring and playback.

Designed for Apple iPhone and iPad (with Lightning Port)

3.5mm Headphone Output Jack

Furry Windshield included

Direct monitoring (always on)

Firmware update via Reporter app

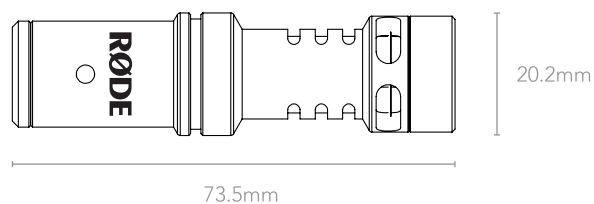

Works with other apps such as Garageband, Camera app, Voice Memos
